

Indianola Community Schools is working to build a Comprehensive Mental Health system to support the needs of our students. We are actively scheduling interviews with mental health providers and entities to recruit two School Based Mental Health providers to serve our secondary buildings- middle school and high school and our four elementary buildings.

Masters of Social Work degree from accredited educational institutions. Current Social LMSW, LISW, LMHC, or LMFT license with State of Iowa. Knowledge in providing individual, group and family therapy. Clinical experience in evaluation/assessment and multi-axial diagnoses and treatment of children and adolescents. Excellent written and verbal communication skills. Currently on or ability to get on multiple insurance panels including Medicaid in order to bill for services. A supplemental funding agreement will be offered by the district to support these positions.

Interested parties should contact Superintendent, Art Sathoff @ Indianola Community Schools District Office (515) 961-9500 or [art.sathoff@indianola.k12.ia.us](mailto:art.sathoff@indianola.k12.ia.us)
